Dear Edy,

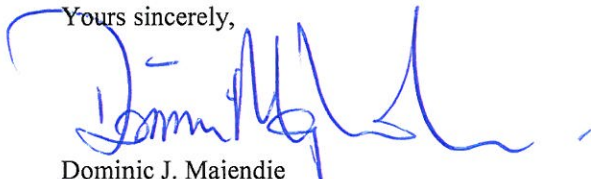

Concerning: Receipt of your ACCC Lisbon Conductor.

Thank you very much for your ACCC Lisbon conductor that we have received. We can confirm that the conductor is of excellent quality.

We are very happy to welcome you as a strander of ACCC Conductors. I will be in Indonesia shortly and wish to discuss the commercial terms for the export of your conductors to some of our international markets. It is our intention to market your conductor for our international project needs and we need to finalise the details of lead times and commercial terms as soon as possible.

We look forward to a long beneficial relationship and please give my regards to Mr Iming and the team.

Yours sincerely,
